**CARY GROVE HIGH SCHOOL TO HOST ANNUAL
“COMMUNITY DAY”**

Students Seeking Opportunities to Serve Elderly, Disabled, or Needy

Cary, Ill., October 10, 2006 – Cary Grove High School students are actively seeking area residents in need of a helping hand for the school’s annual Community Day. On the morning of Friday, October 20, students from the school will go into the Cary and Fox River Grove communities to provide services and assistance to elderly, disabled, and needy residents.

The students are currently searching for opportunities to provide this volunteer service to community members. Cary and Fox River Grove citizens are encouraged to request assistance with leaf raking, yard work, or other such tasks. Students will not be permitted to operate heavy machinery or use ladders. In past years, the school has had more volunteers than projects, so all elderly, disabled, or needy residents or their caregivers are encouraged to contact Matt Berg at Cary Grove High School at (847) 639-3864 ext. 125 to suggest jobs or request assistance.
